

### REMARKS

The Examiner noted the following patentably distinct species of the claimed invention:  
(a) the battery specie; (b) the capacitor specie; and (c) the fuel cell specie.

In response to the Examiner's restriction, Applicant respectfully elects the battery specie without traverse. Applicant believes that claims 1-38, 41-48, and 51-79 are readable on the battery specie. Applicant withdraws claims 39, 40, 49, 50, and 80-105.

### SUMMARY

The Applicant believes that no fees or petitions for extensions of time are presently due. However, should any such fees or petitions be necessary, please consider this a request therefor and charge Deposit Account No. 04-1415 as necessary.

The Applicant thanks the Examiner for her thorough review of the claims in this application. Further, the Applicant submits that the application is now in condition for examination, and respectfully requests that the examination be conducted in due course. In the event the Examiner has questions or comments and a telephone conversation would expedite a resolution, the Applicant invites the Examiner to contact the undersigned attorney at (303) 629-3400.

The Applicant respectfully requests a timely Notice of Allowance be issued in this case.

Dated this 6 day of July, 2004

Respectfully submitted:
